Our School participates in the project “Individualization of teaching and educational process in students of 1st – 3rd classes of primary schools”

We are proud to announce that Salwator Private Primary School in Krakow received a grant of 30,000 PLN co-financed from resources of the European Social Fund as part of the Operational Programme Human Capital. Priority IX. Action 9.1. Submeasure 9.1.2. “Equalization of educational chances of students and diminishing the disproportions in their learning performance and improving quality of teaching process”. The project is titled: “Education through Play as a Chance for Equal Start”.

The funds of the grant will be spent on educational facilities and additional classes for four groups of students:

- classes for children with specific difficulties in reading and writing, including children at risk of dyslexia;
- socio-therapeutic and psycho-educational classes for children with difficulties in social communication;
- corrective gymnastics for children with improper posture;
- additional classes developing students’ interests with special emphasis on mathematical and natural sciences (e.g. conducting observations of wildlife).

The project will be realised on the premises of the school in 2012 and 2013. The motto of the programme is: **“Man is the best investment”**.
